Directions to the Football Fields

From Rim of the World proceed east on State Route 18 to Big Bear. Turn left on Georgia Street at the stoplight (east side of Big Bear Middle School).

From Apple Valley proceed on State Route 18 to Lucerne Valley.

From all other towns proceed to Kramer Junction (U.S. Highway 395 and State Route 58). Continue via one of two routes to Lucerne Valley.

Route Variation One to Lucerne Valley

From Kramer Junction proceed east on State Route 58 to Barstow.

At the junction of State Route 58 and Interstate 15, go east into Barstow about three miles and turn south on State Route 247 (Barstow Road) toward Lucerne Valley (about 33 miles).

Route Variation Two to Lucerne Valley

From Kramer Junction proceed south on U.S. Highway 395 to State Route 18 south of Adalanto.

Turn east on State Route 18 toward Lucerne Valley (about 29 miles).

In Lucerne Valley, at the junction of State Routes 247 and 18, take State Route 18 toward Big Bear Lake, about 25 miles. Continue past Big Bear City on the south side of the lake toward the town of Big Bear Lake.

NOTE: As you can see by looking at the vicinity map, just before arriving at Big Bear City, State Route 18 meets State Route 38. At this junction, if, instead of going to Big Bear City, you continue west on State Route 38 (W. North Shore Drive) for 2.4 miles, then cut south back to State Route 18 on the Stanfield Cutoff, you can avoid some congested areas and it may be a little faster.

Big Bear Middle School has a metal roof and is located at 41275 Big Bear Boulevard (State Route 18). There is a stoplight at the intersection of Big Bear Blvd and Georgia Street and the school is across Georgia Street and to the left (south).

At the stoplight, turn right (north) on to Georgia Street and continue north to Park Avenue. At Park Avenue, turn left to the field. Paved parking lot behind the building at the northwest end of the field (at Mountaineer Lane).
